GRAND JURY SEEKS  
DRASTIC SLASHES

WOULD CUT EXPENSES OF THE COUNTY TO FIT REDUCTION DERIVED FROM INCOME

Upon the conclusion of its labors Friday afternoon, the October grand jury submitted a formal report which indicates a vigorous intention to meet the financial emergency by a reduction of the operating expenses of the county. The recommendations call for drastic salary cuts in every department as well as a reduction in fees for jurors and bailiffs.

The recommendations in full are as follows:

To the October Term Bulloch Superior Court, 1931:

We, the grand jurors selected, chosen and sworn to serve at the October term, 1931, beg leave to submit the following report:

With reference to the need of our county, we recommend that Mrs. Senia Anne Bowen be given \$6.00 per month from county funds, which sum shall be placed for her benefit in the hands of A. C. McCorkle.

That Harry Moore be given \$2 per month to be placed in the hands of A. M. Deal.

That Jim Brown be given \$2.50 per month, payable to Felix Parish.

That A. P. Dean be given \$2.00 per month, payable to Henry Allen.

That Mrs. Luoma Rucker be given \$3.00 per month, to be paid direct to her.

That Richard Williams be paid \$2.00 per month, to be placed in hands of W. A. Hodges.

We appoint from our body D. R. Lee, M. O. Anderson and D. B. Turner as a committee to examine the chaingang and county property and report to the April grand jury.

By committee we have examined the court house and jail and the report of said committee is attached as Exhibit "A."

Report of committee appointed to examine the books of the justices of the peace and notaries public of the county is attached hereto marked Exhibit "B."

Report of the office of the county school superintendent is attached as Exhibit "C."

Report of the chaingang committee appointed at the last term is attached marked Exhibit "D."

In recognition of the necessity upon our administrative officers to apply measures of economy in the affairs of the county, we recommend that all jurors and court bailiffs, superior and city court, be reduced, beginning with 1932, to \$2.00 per day.

We recommend that the county agent be re-employed for the coming year and that his salary be paid from county funds shall be reduced to \$150.00 per month.

That the county health nurse be re-employed for the ensuing year, and that the county contribute to her salary \$100 per month for six months of that period.

That the county police shall be retained and that the salary of the chief, Sewell Kennedy, be fixed at \$100.00 per month, and the salary of Policemen be fixed at \$50.00 per month, these figures representing a reduction of 20 per cent from the present salaries.

We recommend that the instructor of public school music for the county be discontinued.

POLICE POUNCE ON  
PANTS PILFERER

PITCHFORK PROWLER PLACED IN PRISON PATIENTLY PONDERS POSSIBLE PHASE.

"Police Put Period to Pitchfork Pilferer." This unique title is coined for the final chapter today being written to the epidemic of robberies which has existed in Statesboro during the past month.

At 1 o'clock Wednesday morning Otis Hayes (colored) was discovered coming out of the residence of J. C. Mock, near the High School. The discovery was made by Mr. Mock's son, who heard a noise and went to investigate. The police were notified and Henry Lanier and County Policeman Scott Crews with flashlights took up the trail. They followed the negro to his stopping place near the Baptist church and found him in bed, apparently amazed that he was under suspicion.

In the meantime it was found also that the Mock store, adjoining his residence, had first been broken into. Search of the negro's place of abode disclosed the presence of some articles taken from the store, and in the bedding was found concealed a number of articles which had formerly been taken from the residence of S. W. Lewis and Judge Remer Proctor, including purses and jewelry with the names of each of these gentlemen embossed. The negro declared that some of these articles had come into his possession before coming to Statesboro six months ago, and that he had bought other articles since coming here.

Hayes' wife, however, told the officers that he had swapped for one of the watches he had and had given in exchange another gold watch. The name of the negro with whom he had swapped was John Ellis, and it was ascertained that he had gone last week to Macon. Sheriff Tillman phoned to the Macon police to hunt for this man, and the sheriff and Judge Proctor went immediately in an automobile to Macon. There they found Judge Proctor's gold watch, a treasure which he valued very highly. The negro from Macon was brought back and placed in jail with Hayes.

This morning at 10 o'clock the Bulloch county grand jury, dismissed last Friday, was re-assembled and returned three indictments against Hayes charging burglary.

The arrest of Hayes is believed to have broken up the burglary epidemic which has continued almost every week for the past month or more. Because the homes of S. W. Lewis and Judge Proctor, those of Henry Brunson and Lester Olliff were broken into last week in the same manner, and on North Main street the Talton home was entered and when the interior was frisked away he left a pitchfork on the kitchen table. It was this incident which gave to the "
